## IRIDESCENT ICE

### Step 1: Lightening

Blonde Voyage Powder  
Lightener + Oxidative  
Cream Developer 20 vol.  
(mixing ratio 1:1.5 to 1:2).

Apply back-to-back slices,  
lifting the hair to a pale yellow.  
Process for up to 50 minutes.

MoroccanOil Color Destination.

### Step 2: Root Shadow

Color Calypso Demi-  
Permanent Gloss 4N/4.0  
+ 5 g Color Infusion Pure  
Color Mixer Grey + Gloss  
Activator (mixing ratio 1:1).

Apply at the root area and  
drag the color down to create  
a root shadow effect.

### Step 3: Glossing

Color Calypso Demi-  
Permanent Gloss, 2 parts  
9GyV/9.82 + 1 part  
8GyV/8.82 + Gloss  
Activator (mixing ratio 1:1).

Apply to mid-length and  
ends, starting where the  
root shadow ended. Blend  
formulas for a seamless result.  
Total processing time for Root  
Shadow and Glossing is up to  
20 minutes.

MOROCCANOIL.
